Create Notes

Using Markdown, you can create simple text based documents to save and share. You can collaborate with others to write and edit content.

Save Images

Are there images you find interesting enough to save? Now you have a way to organize and store those within blocbox.

Add Links

Forget bookmarking sites in your browser. With blocbox, you can add links, group them and view them from any computer.

Who uses notebox?

notebox has more than 100,000 satisfied users storing and collaborating with teams across the world. Here's what a few have to say:

"notebox has made it easier to find and keep things I love. I can share with other designers on my team and create new categories with awesome stuff. And creating simple text documents couldn't be easier."
