

Save, share and collaborate.

notebox lets you collect and share information, create simple notes, store images and add links.

[Start Your Free Trial!](#)

Create Notes

Using Markdown, you can create simple text based documents to save and share. You can collaborate with others to write and edit content.

Save Images

Are there images interesting enough to save? Now you have a way to organize and store those within notebox.

Add Links

Forget bookmarking sites in your browser. With notebox, you can add links, group them and view them from any computer.

How much does notebox cost?

We have many options to fit your needs. It's free to try out for 30 days*, and you can always change your plan once you've signed up. Here are the different features for each plan:

CASUAL

FREE

Up to 5 boxes

Up to 10 collaborators

2GB of storage
